

INDIAN INSTITUTE OF RESEARCH AND TECHNOLOGY

Hyderabad Campus • Center for Advanced Scientific Research

Survey No. 104, Tech Park Ecosystem, Gachibowli, Hyderabad - 500032, Telangana, India

Ref No: IIRT/Acad/PhD/2026-04

Date: May 20, 2026

NOTIFICATION FOR ADMISSION TO PH.D. PROGRAMME: **AUTUMN SEMESTER 2026**

Applications are invited from highly motivated and academically brilliant candidates for admission to the regular Doctor of Philosophy (Ph.D.) program at the Indian Institute of Research and Technology (IIRT), Hyderabad for the upcoming Autumn Semester commencing in July 2026.

IIRT Hyderabad offers a vibrant research ecosystem with state-of-the-art laboratory facilities, world-class computational infrastructure, and expert faculty mentorship. Applications are currently open for active research specializations across the following core scientific disciplines:

Department	Key Research Specializations / Focus Areas
Chemistry	Organic Synthesis, Organometallics, Theoretical and Computational Chemistry, Nanomaterials, Physical Chemistry, and Biophysical Spectroscopy.
Physics	Condensed Matter Physics (Experimental and Theoretical), High Energy Physics, Quantum Information, Quantum Materials, Quantum Optics, and Astrophysics.
Mathematics	Functional Analysis, Differential Equations, Fluid Dynamics, Cryptography, Coding Theory, Numerical Analysis, and Probability & Statistics.
Biological Sciences	Molecular Biology, Bioinformatics, Structural Biology, Computational Genomics, Cell Signaling, Immunology, and Microfluidic Bio-devices.

MINIMUM ELIGIBILITY CRITERIA

1. **Academic Qualifications:** Master's degree in a relevant branch of Science (M.Sc. / M.Tech. / M.Res.) with a minimum of 60% marks or a CPI of 6.5 out of 10 (55% or 6.0 CPI for SC/ST/PwD candidates) from a recognized University or Institute.
2. **National Level Examination:** Candidates must have qualified for a valid National Level Fellowship/ Examination such as CSIR-UGC NET (JRF/LS), GATE, DBT-BET, ICMR-JRF, or INSPIRE Fellowship.

APPLICATION PROCEDURE

Interested applicants must fill out the online application portal available on the institutional framework at <https://a2goi.github.io/iirth/admissions>. Candidates are required to upload digital copies of academic transcripts, statements of purpose, and valid national fellowship test scores during submission. No hard copies are expected to be sent at this stage.

 **IMPORTANT CLOSING TIMELINE: The online portal will close automatically on June 6, 2026 (06.06.2026) at 17:00 HRS IST. Late or incomplete submissions will not be processed.**
