NOTIFICATION FOR ADMISSION TO PH.D. PROGRAMME: AUTUMN SEMESTER 2026

Applications are invited from highly motivated and academically qualified candidates for admission to the regular Doctor of Philosophy (Ph.D.) program at the Indian Institute of Research and Technology (IIRT), Hyderabad for the upcoming Autumn Semester commencing in July 2026.

IIRT Hyderabad offers an advanced research ecosystem with cutting-edge experimental facilities, dedicated high-performance computing clusters, and expert faculty mentorship. Applications are accepted for research specializations across the following core scientific domains:

Department	Key Research Specializations / Focus Areas
Chemistry	Heterogeneous Photocatalysis, Green Synthetic Routes, Peptide & Organic Synthesis, Computational Chemistry, and Spectroscopy.
Physics	Condensed Matter Physics, Semiconductor Devices, Quantum Materials, Non-destructive Structural Analysis, and Astrophysics.
Mathematics	Functional Analysis, Fluid Dynamics, Cryptography, Numerical Modeling, and Applied Statistics.
Biological Sciences	Structural Biology, Bioinformatics, Computational Genomics, Immunology, and Microfluidic Devices.

MINIMUM ELIGIBILITY CRITERIA

- Academic Credentials:** Master's degree in a relevant science discipline (M.Sc. / M.Tech.) with a minimum of 60% marks or a CPI of 6.5 out of 10 (55% or 6.0 CPI for SC/ST/PwD candidates) from a recognized University or Institute.
- National Level Qualification:** Candidates must have qualified for a valid National Fellowship/Examination such as GATE, CSIR-UGC NET (JRF/LS), DBT-BET, ICMR-JRF, or equivalent institutional scholarship profiles.

APPLICATION PROCEDURE

Interested candidates must submit their application online through the institutional web portal at <https://a2goi.github.io/iirth/admissions>. Applicants are required to upload digital transcripts, a brief research statement of purpose, and proof of their national eligibility test credentials.

REGISTRATION DEADLINE: The online portal will close automatically on June 6, 2026 (06.06.2026) at 17:00 HRS IST. Late or incomplete applications will not be evaluated.
